

C7530 | MEDIA:SCAPE MINI (NM), THINK (AT03)

## REDEFINING SMALL MEETING SPACES.

Meet **media:scape® mini**, a new member of the media:scape family that extends the media:scape experience into small and existing spaces. media:scape mini can be placed on top of virtually any surface to transform the space into a high performing collaborative environment.

# 80%

of organisations feel that they need to collaborate more.

IBM 2010 HR Study

**Steelcase**

Bring the **media:scape experience** to small enclaves, private office, open plan team spaces, by simply placing **media:scape mini** on virtually any surface.

With the 4 PUCKs in the media well, everyone at the table has equal access to share critical information.

Optimised for small teams of 2–4 to collaborate without interruption, media:scape mini is always available. No cables to pass, remotes to lose, or software to install.

Plug media:scape mini into a standard power outlet to bring power to the monitor and the 4 power outlets inside the media well.
