Environmental Statement

Orangebox is accredited to the environmental standard ISO 14001. 2015

As a result every care is taken to ensure its operations and products make a positive contribution to the local and global environment.

Clean CO₂ is a very intuitive and visual software, which can, through the loading of activity data, calculate an impact result (kg of CO₂ equivalent, among others), as well as other tasks such as off-setting, communicating results and generating a report.
