## **Steelcase Flex Single Table Desks**

Carry the day with a table for anywhere. Lightweight and easy to move, the Steelcase Flex Single Table makes room for a laptop and more, empowering individual team members at a moment's notice. Gather in for a group session. Get away for deep focus. Stake out a prime spot for a video call or collaboration. This single surface responds to the frequent transitions that hybrid work demands.

## Features + Options

Transitions can be a drag on in-person and hybrid collaboration. Steelcase Flex Single Table keeps things light and agile. Available on casters or glides and sized for easy movement, it saves time and hassle at every turn.

While Steelcase Flex Single Table serves one, it teams up with others brilliantly. Support digital and analog work by pairing it with Flex Media Cart and Flex Whiteboards. Place near Flex Active Frames to provide on-demand surfaces as teams expand across an open setting.

## Dimensions

Seated Height	H740 mm
Standing Height	H1050 mm
Height Range (for pneumatic height version)	H740-1180 mm
