**Packaging Dimensions**  
L600mm x D600mm x H800mm

**Weight**  
15kg

**Packaging Type**  
Cardboard, polyethylene foam, polythene

**Leather Cleaning Guidelines**  
Leather can be maintained by wiping with a cool damp cloth. For tougher soiling, use a PH balanced soap foam on a cloth and rinse. Remember to always use cool water. Repeat if needed. Avoid soaking the leather. NEVER use harsh chemicals, detergents, saddle soap, or unidentified leather cleaners, solvents, ammonia, polish, varnish, and oils etc.

**Leather care**  
Avoid placing the leather in direct sunlight or extreme heat. To dust, use a vacuum cleaner with a soft brush regularly. Avoid contact with sharp objects. To absorb any spills, use a clean, dry cloth immediately.

**Wood Cleaning Guidelines**  
The frame should be dry dusted with a clean lint free cotton cloth. Varnished and stained ash wood can be cleaned using a slightly damp cloth with a mild detergent. Oiled oak can be re-oiled with a colour-free wood oil. Waxed oak can be re-waxed with a colour-free furniture wax

**Notes**  
Stable, strong and durable, suitable for general contract use. Not suitable for outdoor use. Avoid contact with heat sources.
