Verb – Team Table

PRODUCT ENVIRONMENTAL PROFILE

Product Description

Verb tables are specifically designed to support different learning modes and encourage easy shifts between lecture, discussion, and project work. Unique shapes promote interaction, while a variety of sizes allow Verb to work in any classroom.

The team shape tables are designed specifically for small group work and project teams, offering the same angled shape as the chevron tables but on both sides of the table

Material Declaration

Metal	kg	%

PC	0.60	1.7%

Others	kg	%
Particle Board	24.30	68.6%

Manufacturing Information

The selected product **Verb – Team Table** is manufactured in Steelcase Manufacturing Dongguan in Dongguan (China)

Steelcase, which was founded in 1912, has been dedicated to creating innovative products and helping people work more effectively for almost a century. Steelcase has management systems for Quality (ISO 9001) and for the Environment (ISO 14001), ensuring that our customers are guaranteed the same level of product quality and environmental performance, wherever they are in the world. Steelcase is committed to continually reducing the environmental impacts of its products and activities on a global scale. For further information visit www.steelcase.asia

Steelcase

Life cycle stages

Materials
The stage includes raw materials extraction and transformation into material ready to be used.

Production
This stage comprises all production and assembly processes taking place at Steelcase or at suppliers.

Transport
Transport from suppliers to the production site and transport from the production site to Asia Pacific markets is considered.

Use
No relevant environmental exchanges occur during use of the product.

End of life
Any product can be disposed in different ways and also base on the availabilities of recycle center at the particular market. Steelcase product used high recycle content materials and is also recyclable as to sustain the environment together.

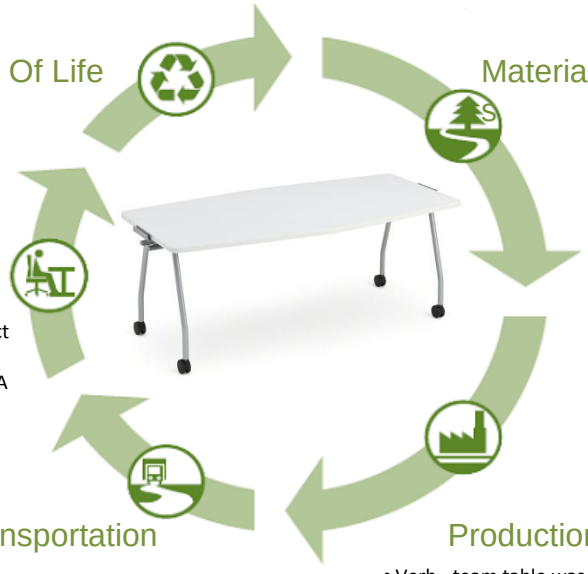
Recycle Content Calculation

	Weight (Kg)	Percentage (%)
Recycled Content (%)	24.73	70%
Post Consumer Recycle Content (%)	6.14	17%
Pre Consumer Recycle Content (%)	18.59	52%
Recyclable Content (%)	11.12	31%
Total Weight	35.42	-

Certified Result

Chemical Group	Criteria	Acceptance
TVOC Toluene	≤0.25 mg/m³	Pass
Formaldehyde	≤25ppb	Pass
Total Aldehyde	≤50ppb	Pass
4-Phenylcyclohexene	≤0.00325 mg/m³	Pass

SCScertified™
INDOOR AIR QUALITY
Indoor Advantage | Furniture



- Verb - team table is up to 31% recyclable by weight.
- Cardboard and LDPE plastic film used for packaging are 100% recyclable.

- Verb - team table weighs 35.42kg.
- Verb - team table contains up to 70% recycled materials.
- Verb - team table is PVC free.
- Verb - team table is made with minimum number of components and different materials.

- Verb - team table is designed for long product life cycle.

Disclaimer :
Numbers may vary based on model and options selected. Calculations of recycled content are based on data provided by suppliers and other available information. This data may include industry averages, ranges or other broadly based information. Steelcase makes conservative assumptions when compiling this information to provide the most accurate recycled content calculations possible but variability in market conditions or manufacturing processes may result in higher or lower content. This document may be subject to review and update from time to time without notice.
