## FOSTER COLLABORATION WITH STANDING HEIGHT

Standing height Big Table creates a comfortable height for team interaction and democratic eye-to-eye contact, expanding the available palette of posture and place, and contributing to individual wellbeing.

## SUPPORT INFORMAL COLLABORATION

Big Table provides a more space-efficient option than dedicated team project or meeting rooms, defining open team spaces for impromptu meetings through to embedded projects without the commitment and real estate requirements of walled rooms.

## MAKE SOCIAL SPACES MORE DYNAMIC

Adding the Big Table to coffee areas or lobbies creates higher value collaborative and touchdown spaces.

### Trough Cover

The center trough provides easy access to power and data cabling. Large slats to cover the trough optimize clear worksurface space.

### Footrail

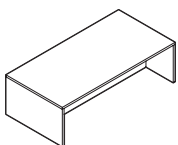

A convenient footrail provides support and long-term comfort when sitting on stools for extended periods.

### Secondary Shelf

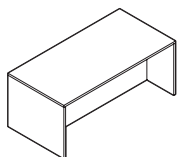

A handy secondary shelf integrated under the worksurface lets you keep tools and devices close, yet off the worksurface.
