

Listen: Strategies + Techniques to Engage Students

Purposefully pay attention to lessons plans as well as your learning environment.

 Read 1 minute

Two educators passionate about active learning share their strategies and techniques for engaging students. Dr. Julie Marshall, teacher from South Carolina's Saluda Trail Middle School, and Randy Hall, an educational technology facilitator at the Lower Hudson Regional Information Center in New York, discuss how to reimagine and reinvent classrooms to break down barriers, develop trust and prepare students for the future.

LISTEN: 360 REAL TIME PODCAST

Dr. Julie Marshall and Randy Hall appear at ISTE 2017.
