Despite an environment of rapid change, a lack of diversity is creating leadership obstacles.

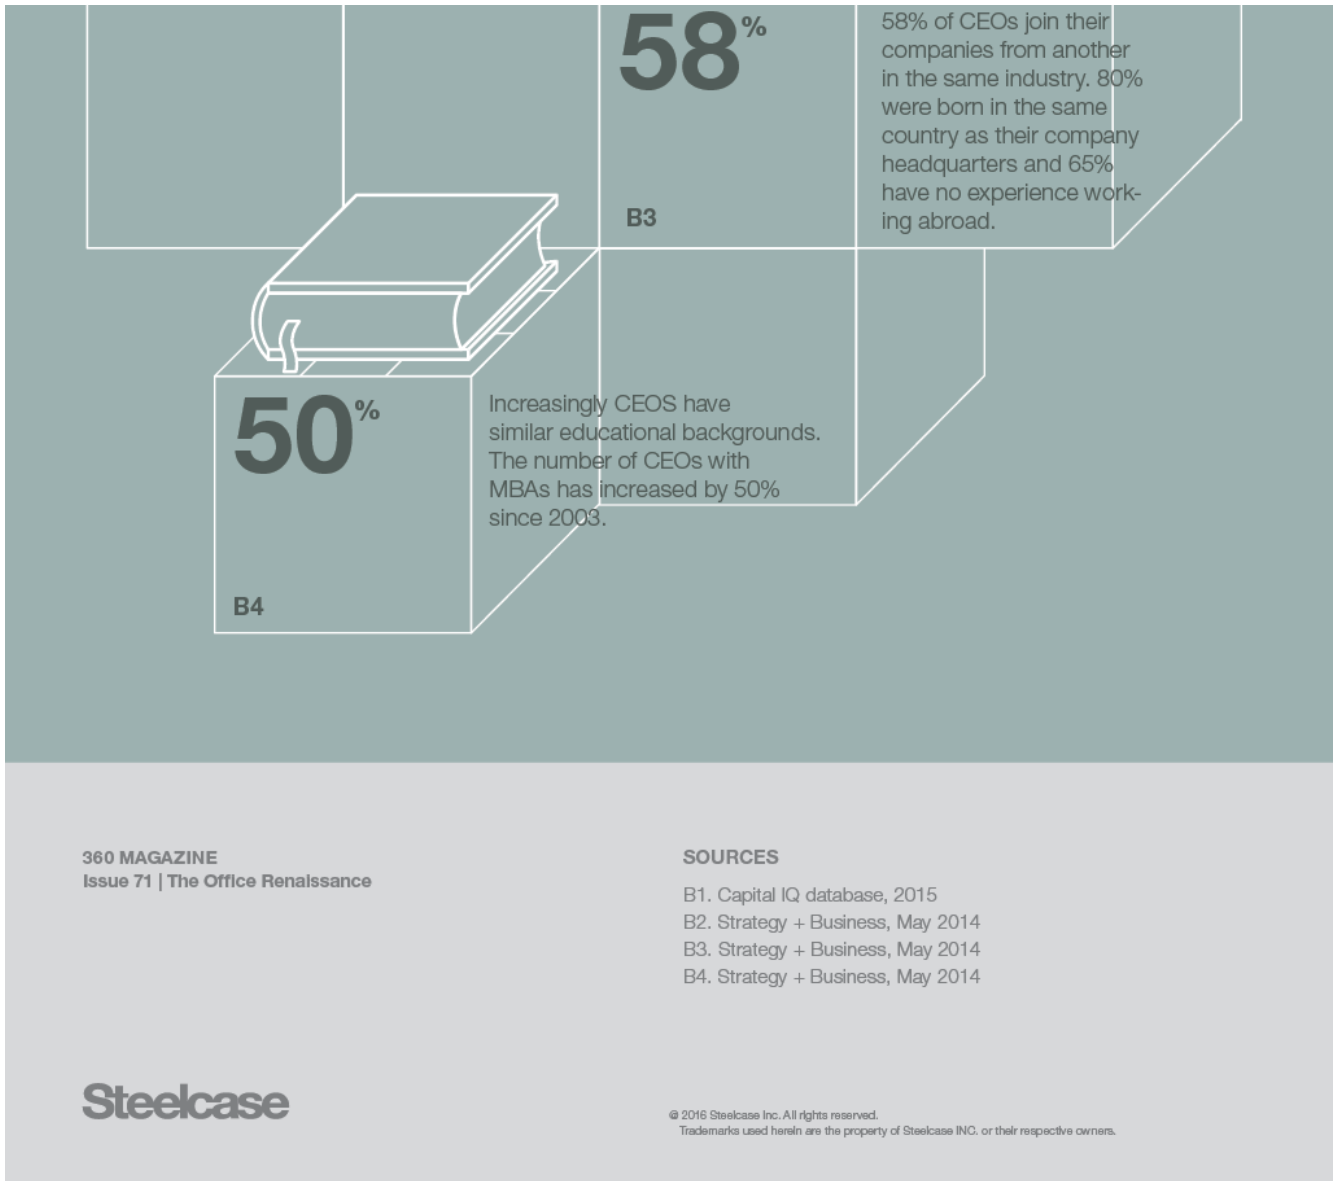

“Some people don’t like change, but you need to embrace change if the alternative is disaster,” Tesla’s Elon Musk told [The Daily Beast](#). Musk’s comments come at a time when an increasingly complex business environment is being dubbed “the age of disruption” in the latest [IBM C-suite](#) study. Change is a constant with “digital giants” flexing their technology muscle in new industries and agile startups seemingly redefining the market out of nowhere.

This new global landscape requires organizations to quickly pursue new ideas and opportunities. Yet leaders face major barriers as they attempt to create an agile, innovative culture.

Lack of Diversity Creates Leadership Obstacles

Conventional norms and a lack of diversity among decision-makers hamper an organization's ability to adapt to rapidly-changing conditions.
