Mark Partridge

Solo Series, by Glismand & Rüdiger

Solo brings together gentle curves and a strong silhouette, offering a relaxed and composed seating experience.

New Mood Series, by Michael H. Nielsen

The collection was inspired by 1950s design, yet the creator has added modern characteristics such as mixing different wood textures for the legs.

Paste Series, by Böttcher & Kayser

Paste has many beautiful details and a robust construction, offering comfort in the form of soft cushions which are elegantly fastened to the padded frame with a concealed zip.

Forest Series, by Pavel Vetrov

The Forest series was brought to life with inspiration from the untouched forest, as well as the feeling of calmness that we seek in nature.

C3 Series, by Glismand & Rüdiger

C3 displays a distinctive combination of comfort, elegance and functionality. The armchair and dining chair's shape and profile have a solid yet lightweight quality.

Philippa Series, by Busetti Garuti Redaelli

Philippa combines a very Nordic and modern look, yet retains references to 1950s and 1960s classic armchairs. The chair was designed with softness, comfort and an organic shape in mind.

“The workplace has changed from a more formal, traditional office into an informal, multi-functional place. I think with designs from Steelcase and BOLIA we can make the workplace more social, relaxing, enjoyable and beautiful.”
