# Think®
Office Chairs

Think's award-winning design re-imagined what an office chair could do, and how sustainable it could be. With simple controls, adjustability options, and lumbar support, Think allows anyone, anywhere to get comfortable and get to work.

## Smart Simplicity

Our first office chair designed with a weight-activated mechanism – Think does the thinking for you. Designed to meet the growing trend of mobile workers and their needs, Think allows anyone to get comfortable quickly.

## Style Forward

With beauty to match brains, Think serves up style that is warm tailored and sophisticated. Now you can choose from a curated collection of monochromatic neutral color schemes and warm toned metallics. With a breadth of materials and options, Think feels at home in any workspace.

## Performance Features

**Back Support**
LiveBack® Flexor System conforms to your spine to provide flexibility and support as you move.

**Seat Ergonomics**
Seat includes flexible edges and adaptive bolstering in the foam providing a pressure-free sit.

**Recline Adjustment**
Recline range includes full recline, a boost setting, mid stop, and upright back lock.

**Weight-activated Adjustment**
Responds to your body weight to provide the right amount of back tension as you recline. Includes “boost” offering additional tension for those who need it.

**Fully Adjustable Arms**
Standard 4-dimensional arm support adjusts to preferred height, width, depth and pivot.

**Lumbar Support**
Standard height-adjustable lumbar support.
