

Step

Available across both seating and vertical applications, Step is unique in both texture and performance. Made from Trevira CS polyester, Step meets important international fire safety regulations for flame retardancy. This collection pairs nicely with Step Melange's two-toned colour appearance.

Disponible pour les sièges et les applications verticales, Step se distingue tant par sa texture que sa performance. Ce tissu en polyester Trevira CS répond à d'importantes exigences de sécurité internationales en termes de résistance au feu. Cette collection se marie joliment avec le tissu deux-tons Step Melange.

Step ist einzigartig, was Textur und Leistungsstärke angeht. Der Stoff ist sowohl für Sitzmöbel als auch vertikale Applikationen geeignet. Step wird aus Trevira CS Polyester angefertigt und erfüllt somit aufgrund seiner flammhemmenden Eigenschaften wichtige internationale Brandschutzbestimmungen. Die Kollektion ist perfekt auf die zweifarbige Ästhetik von Step Melange abgestimmt.

Disponible en aplicaciones verticales y de asiento, Step es único tanto en textura como en rendimiento. Fabricado con poliéster Trevira CS, Step cumple con las importantes normativas internacionales de seguridad contra incendios para la resistencia al fuego. Esta colección combina muy bien con la apariencia de color de dos tonos de Step Melange.
