Steelcase Announces Relationship with FLOS Decorative Lighting

NEW COLLABORATION DELIVERS BROAD CHOICE AND ACCESS TO FINELY CRAFTED LIGHTING SOLUTIONS

GRAND RAPIDS, MI (September 14, 2017) – Today Steelcase announces a relationship with FLOS, a renowned Italian lighting group with a collection of fine crafted decorative lighting including pendants, sconces, table & floor lamps. Steelcase will offer a collection of <u>FLOS</u> lighting throughout the U.S. and Canada, availability expected in November 2017. FLOS lighting supplements an already extensive Steelcase portfolio, offering greater choice and consolidated distribution the largest dealer network in the industry.

"FLOS offers finely crafted lighting solutions that can help create inspiring and in places to work. This new relationship helps architects, designers and clients by providing convenient access to a range of compelling design options supported reliable, commercial distribution at scale," said Allan Smith, Vice President, Glob Marketing, Steelcase.

Founded by Sergio Gandini in 1962 in Merano, Italy, FLOS has revolutionized the lighting by many while embracing innovation. The company has cultivated long successful partnerships with some of the world's most renowned designers and grown its offerings to include residential, commercial and custom products. FLOS designs are included in many permanent collections of design and art museums around the world.

"FLOS is delighted to work with Steelcase, bringing our lighting designs to one of great furniture companies in the world and its far-reaching dealer network in North America," said Jack Schreur, CEO, FLOS USA. "This new relationship will introduce FLOS lighting to new audiences while meeting a critical need for architects and designers."

Steelcase partners with a diverse network of thought-leaders and organizations around the world. These partners enrich its offering, contribute to continuous lead and promise greater value to Steelcase customers. FLOS is the latest of recently announced global and regional Steelcase partners.
