BASSLINE ASYMMETRICAL TABLES

Hardworking with room to play.

A table can be so much more. Bassline Tables are multi-talented, like you. Expressive tops on inviting legs. Distinct shapes that fit together then pull apart. With a steady base driving the rhythm of the room.

The Bassline Asymmetrical Tables include unique shapes, sizes and surface materials to anchor lounge areas in unique and inspiring ways. Choose a table that stands alone, or layer in multiple tables and surfaces for a distinct and functional ensemble.
