BASSLINE BOX TOP TABLES

Hardworking with room to play.

A table can be so much more. Bassline Tables are multi-talented, like you. Expressive tops on inviting legs. Distinct shapes that fit together then pull apart. With a steady base driving the rhythm of the room.

Bassline Box Top Tables create personalized, inviting lounge and collaborative spaces boasting rich materiality along with interest and functionality. Hardworking box top and bag drop options feature easy access to bags, books and personal items with a unique compartment on top and an open shelf in front. Personalize with metal accent panels on the top and inside for visual expression.
