

Bassline

Ancillary Collection

One Base.

Endless Possibilities.

Bassline is a family of ancillary furniture supported by a distinctive, durable base designed for tables, benching, and storage within a single, cohesive system.

Designed for Expression

With a wide range of material options and the ability to create custom tabletops, Bassline makes it easy to express brand identity and create a one-of-a-kind solution.

Built to Perform

Bassline's robust design and modular components are intended for long-term performance in active environments. With multiple table and storage configurations, the system adapts to evolving needs.

Functional Utility

Features

Tables
Sculptural tops bring distinctive geometry that connects, separates, and flexes with intent. Built on Bassline's innovative platform supporting up to 800 lbs, creating a custom table is simple: choose your top and attach it to the base.

Storage
Bassline Storage adds clean, modern utility to dynamic spaces. It gives organizations the flexibility to meet a wide range of storage needs with multiple finishes, doors, and panel configurations.

Bench Seating
Bassline Bench Seating offers multipurpose solutions that serve as seating, ottomans, or side tables. A wide range of upholstery and base finishes supports flexibility and personal expression in lounge spaces.
