

## BIVI TEAM BUNDLES

Designed with teams in mind.

## Bivi is designed with teams in mind.

Inspired by the classic camping bivouac pack, Bivi can be set up and taken down in minutes and is designed to flex and grow with your team. Bivi is simple to specify, understand, install and reconfigure.

## Bivi is now even easier with Bivi Team Bundles.

Bivi's mix-and-match capabilities provide an endless range of options for personalization, but sometimes the best option for your team is the simplest one. For those who want a quickly deployable space, we're bringing Bivi's best-selling applications to you in three easy steps. Available now as single style numbers, Bivi Team Bundles provide the options, not the leg work.

### It's truly as easy as 1 - 2 - 3:

1. Choose your application (Bivi Team Table or Bivi Team Theater)
2. Pick your size
3. Specify your surface materials and add optional power
