## Product Compliance Laboratory Confirmation of Product Compliance

1-Apr-2024

**coalesse Montara650** seating products have been designed, engineered, and manufactured, to meet or exceed all applicable **ANSI/BIFMA (American National Standards for Office Furnishings)** requirements for safety and performance.

Samples representative of current production have been tested and found to be in compliance with the following ANSI/BIFMA Test Requirements:

**ANSI/BIFMA X5.1-2017 (R2022)** – General Purpose Office Chairs Tests

**ANSI/BIFMA X5.4-2020** – Lounge and Public Seating Tests

**ANSI/BIFMA X6.1-2018** – Educational Seating Tests

**ANSI/BIFMA X6.4-2021** – Occasional Use Seating Tests

In addition to ANSI/BIFMA Standards the Montara650 seating products have been tested and found to be in compliance with the following standards:

**16 CFR Part 1640 – Standard for the Flammability of Upholstered Furniture**

**California Technical Bulletin 117-2013:** Requirements, Test Procedure and Apparatus for Testing the Smolder Resistance of Materials Used in Upholstered Furniture (*Steelcase Standard Fabrics only*)

Steelcase/Coalesse uses its own ISO 9001 registered and ISO 17025 accredited laboratories, and accredited independent laboratories, to verify compliance to the Standards and requirements listed. A list of accredited independent laboratories is available upon request.

Sincerely,

Jeff Musculus – Director, Global Testing

**Note:**

This document may be reproduced in full only.

Steelcase/Coalesse products are designed and tested for code and standard compliance when installed and used as an integrated product solution in accordance with Steelcase/Coalesse application guidelines and assembly directions. The use of unauthorized non-Steelcase/Coalesse components, parts, or materials with integrated Steelcase product solutions **VOIDS** all Steelcase/Coalesse claims of product compliance to BIFMA, UL, CSA, LEED, and / or any office furniture safety or performance standards, including all building, fire, and electrical codes. This exclusion includes but is not limited to the use of non-Steelcase/Coalesse panel supported work surfaces, leg supports, panels, brackets, shelves, overhead bins, and other integral components. The use of non-Steelcase/Coalesse components in an integrated product solution not designed, tested, or supported, by Steelcase/Coalesse is an unauthorized modification of the original product which voids all Steelcase/Coalesse warranties, expressed or implied.
