EMU Outdoor Fabric

Remove loose dirt with soft bristle brush or hose down with cold water. Clean with mixture of water and mild soap. Rub in mixture with soft brush and allow to thoroughly soak into fabric. Rinse thoroughly with cold water and air dry. Never use water over 100 degrees Fahrenheit. Do not machine dry. For light cleaning, avoid using detergents. For stubborn stains use mixture of one gallon cold water, 1/2 cup bleach and 1/4 cup mild soap for one hour.

Detergents can be used without harm, though they may remove some of the water and stain resistant properties in the fabric.
