

Companion Undermount Storage

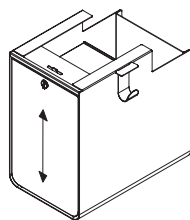

with door

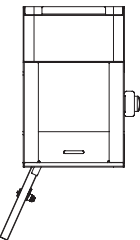

open cubby

Details

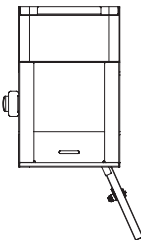

- 10"W x 15.5"H x 14"D
- One-piece construction for a seamless aesthetic with the option of a wood (veneer or laminate) door or metal with an optional interior shelf and bag hook
- Typical lead time is 6-8 weeks depending on material availability
- Grain direction options based on application, default shown below:

- **Handedness:** When a metal door is specified the unit will ship with the door attached in the specified handedness. When you select a wood door the unit will ship separately, and the door will be installed in the field. The door does have the ability to be retrofitted if the opposite hand is desired.

left hand

right hand

Surface Materials

Currently available in Steelcase Standard PG1-PG3 laminates, veneers and paints.

FAQs

What if I want to mount this to a desk that is not listed as compatible? We are testing this undermount storage on Migration SE rectangular height adjustable desks. If you are interested in using this on another desk or surface please reach out to studio@steelcase.com to see if this can be done.

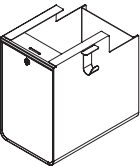

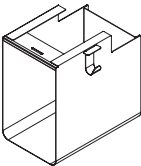

What Migration SE desk sizes is this storage unit compatible with? This unit has currently only been tested on a 29" x 58" desk. We are currently testing on depths 29"– 36" and widths 58" – 76". 23"D and widths smaller than 58" are not compatible at this time.

What if I need a different configuration that is not offered? This initial launch has a simple statement of line with one overall size. If you are interested in modifying this product please reach out to studio@steelcase.com to share more about this opportunity.

What is the weight limit? This unit weighs approx. 25 lbs. Please refer to the height-adjustable max weight limits as they might vary depending on the table size.

Does this house a CPU unit? There is an opening in the back for ventilation for smaller technology devices however, we are not promoting this as a CPU holder.
