

## Versatility and Value

Flexible and adaptable, FrameOne Bench efficiently meets the varied and fast-changing requirements of today's workers and workplaces. A range of design options adds versatility and value for companies seeking to optimize real estate, spark innovation and express their unique culture.

FrameOne seamlessly adapts to diverse individuals, teams and groups – supporting varying levels of mobility and collaboration found in organizations today.

Easy to relocate and reconfigure, FrameOne offers everything workers need in one, optimal footprint. Essential connections to power, privacy elements and storage space help workers get comfortable and productive quickly.

**SIMPLIFIED DESIGN**

FrameOne supports a wide range of work styles with a light and refined aesthetic, made to complement any environment.

**CREATIVE OPTIONS**

Available with Lux coatings and a range of material options, FrameOne broadens aesthetic possibilities for the workplace.

**ACCESSIBLE POWER**

Connect to power and data with convenient FrameOne access door and worksurface cutout options.

**FLEXIBLE FEATURES**

Tailor FrameOne to suit workers' needs with worktools, privacy screens and storage options.
