

Textile Global Palette Collection Overview

Below is a list of finish numbers, by geography, for materials within the global palette. Not all finishes are available on all product lines, in all geographies. Use the matrices in this reference manual to help with application approval and availability across the different regions. For details on how to order product in each geography, regional specification guides should be referenced.

Tip: Three specific regions are included in the "Americas" - North, Central, and South America.

Tip: The acronym EMEA stands for Europe, the Middle East, and Africa.

Tip: The acronym APAC stands for Asia Pacific.

Note: Gaja, Remix, and Steelcut Trio can be ordered as a pre-approved special on applicable product lines in APAC.

Note: Not all finishes are available on all product lines, in all geographies. For details on how to order product in each geography, regional specification guides should be referenced.
