i2i 416 Series

i2i is collaborative lounge seating that helps people move freely, change postures, and stay energized and comfortable.

Flexing fingers form the back and offer support while moving and conforming to your body.

Dual-swivel mechanism allows the back and seat to swivel independently as well as together.

Four-arm base is standard in polished aluminum.

Upholstery specified is applied to seat and arms.

Glides are standard with the static base.

Product Details

Chairs are available with or without tablet arm.

Flexing fingers in the back promote movement and provide support in a variety of postures.

Dual-swivel mechanism allows the back and seat to swivel independently as well as together.

Tablet arm attaches on the right side of the chair with a dual pivot function providing a range of motion that allows the tablet area to accommodate both left and right handed users. It provides a work-surface 12 1/4"D x 18"W. The tablet ships separately and requires field assembly and installation.

Adjustment Features

Swivel-return cylinder option has a built in memory and will return to the fixed position when the user leaves the chair.

Mobile base includes two rollers on the front arms of the base that allow the chair to be moved easily.

Surface Materials

► See surface materials on page 634 for specific availability or refer to the *Surface Materials Reference Manual* for further information.

Back Upholstery

- 3D Knit (back only)

Seat and Arm Upholstery

- Cogent: Connect (seat and arm only)
- Fabric
- Fabric with soil-retardant treatment (option)
- Leather
- Elmosoft leather
- Select Surfaces leather
- Vinyl
- COM
- COL

Cogent: Connect maximizes quality and comfort on i2i. The selected upholstery will be applied to the seat and arms. It is standard with a sewn application.

Frame

- 6009 Arctic White
- 6249 Platinum
- 6295 Near Black

Tablet Arm

- Laminate
- Veneer

The laminate surface is available with a black edge only. The veneer surface has a self edge. The tablet ships separately and requires field assembly and installation.

Glides

- Black plastic

Rollers

- Optional rollers on mobile base are available in dark fusion only.

All Steelcase seating with standard upholstery fabrics complies with requirements of the State of California Technical Bulletin 117-2013. All standard seating is labeled to be in compliance with California 117-2013.

Programs & Services

► See the *Surface Materials Reference Manual* for further detail about programs and services offered for seating.

The Customer's Own Material (COM) Program

offers the opportunity for customers to select fabrics that are not offered through the standard Steelcase surface materials program for use on Steelcase products. Through the COM program, Steelcase will test your materials for application on Steelcase products. Once approved, you can place your order. Steelcase will facilitate the entire ordering process and give you a production schedule. Steelcase will order the COM fabric directly from the textile manufacturer. For up-to-date information regarding fabric test results for all COM fabrics and details regarding yardage requirements for most Seating lines, visit the COM website. To locate the COM website:

- Visit www.steelcase.com

Soil retardants are treatments that provide long-term soil and stain resistance to a fabric without affecting the shade or the integrity of the fabric. The following Steelcase Textiles are available pre-treated with soil retardant. (You do not need to select the soil-retardant option for these fabrics and incur the upcharge.)

- Jacks
- Link

For information on soil retardant fabrics on Select Surfaces, please refer to the *Surface Materials Reference Manual*.

Soil-retardant treatment is available on all other seating fabrics at an additional upcharge per seating unit. To order this option, please select "Soil-Retardant Treatment" under "Optional Accessories."

For soil-retardant treatment on COMs, please select "Soil-Retardant Treatment" under "Optional Accessories." Minimums or additional yardage may be required. Please contact the vendor directly for specific information.

Extended lead times may be necessary for this service.

Contact your Steelcase Solutions Fulfillment Team Representative at 1.888.STEELCASE (1.888.783.3522) or send an email to lineone@steelcase.com.
