

Jersey

Style meshes with great support.

A gracefully curved back and a comfortable seat define this Brian Kane design. With Jersey's double mesh back, the first layer gives you a comfortable contact surface and the second layer provides support. Ergonomic features are simple to adjust so you can sit easy all day long.

The Jersey® guest chair completes the look.

The Jersey chair was designed to be environmentally responsible.

Feel good in your chair, and feel good about your chair.

- 27% recycled content, 50% from post-consumer material
- Lower-impact, VOC-free manufacturing
- Easily changeable parts extend the life of the chair
- 98% recyclable, depending on options selected, and all components separate easily for recycling

Shown: Jersey desk chair with height-adjustable arms, white mesh back, platinum frame, and black leather seat. Jersey guest chair with white mesh back, platinum frame, and casters. Turnstone Kick® workstation. Turnstone Jenny™ Lounge seating and Martini™ table.

Mesh Back

1 Choose from eight mesh colors. When it's time for a change, simply unsnap and slide off the old mesh and slide on the new.

Stretch Pullover

2 For extra warmth or just a different look, add an optional pullover in one of six colors. Pullover slides over the mesh back.

Guest Chair

3 Available with or without steel arms. Choose with or without casters. All versions of the Jersey guest chair stack four-high on the floor.

Arm Options

4 Available with or without arms. Work chair has three arm options. Height-width and pivot-adjustable arms (shown). Fixed arms or height-adjustable arms, both have maintenance adjustable width.

Ergonomics

5 Standard features of the work chair: syncro-tilt mechanism, pneumatic seat height adjustment, upright back lock, back tension adjustment. Or choose the optional deluxe syncro-tilt mechanism with added features of seat depth and seat angle adjustment.
