KwickScreen KwickSketch

AKWICKSKETCH	21"	128"	75"	White (Opaque)	\$3070	\$3070	\$3135
--------------	-----	------	-----	----------------	--------	--------	--------

Tip: Custom graphics can be applied onto the film (for example, door numbers).

Tip: A connector cable will be needed for each panel. For each panel, select the length of cable required to connect to your chosen power supply unit location or from the double power rail powering the panel.

Tip: Power rail can either be single (just input) or double (input and output). The connections can be on the left or the right of the power rail. The double power rail can supply another panel with power through its outlet.

Standard Includes

- Switchable film panel
- Film:
  - Parametric height in 1/16" increments ranging from 10"–196"
  - Parametric width in 1/16" increments ranging from 10"–70"
- Power rail: black, white, grey
- Silicone sealant

Options

Power Rail Type	Double	No cost
	Single	No cost
Connector Cable Length	0.5 Ft	No cost
	3 Ft	+\$28
	6 Ft	+\$30
	16 Ft	+\$37
	32 Ft	+\$48
	49 Ft	+\$60
