

Max-Stacker and Max-Stacker II seating

steelcase

Max-Stacker® and Max-Stacker® II seating

Clean lines and a durable steel rod frame have made Max-Stacker a universally popular stacking solution. Max-Stacker II has all the performance and proven dependability of the original Max-Stacker, with a rounded back, curved lines and upholstery options to provide added comfort.

STATEMENT OF LINE

Max-Stacker

Max-Stacker with tablet arm and bookrack

Max-Stacker II with upholstered seat and back
