

## Migration™ SE

### Height-Adjustable Desk

#### Versatile Design

An original member of the Migration Collection of height-adjustable desks, Migration SE caters to a broad range of applications. Optional 90-degree or 120-degree corners optimize space and foster individual focus, while integrated storage pieces provide a home for tools and work materials. Remarkably versatile for creating the perfect work environment.

#### Comprehensive Collection

Originally launched as a cost-effective solution focused on ergonomic design, Migration has evolved into a comprehensive collection of height-adjustable desks that offer an enhanced range of options for budget, aesthetics and performance.
