

# Cubb Seating

## An extensive range of contemporary chairs & stools

Cubb seating is a concise range of chairs and stools: a new synthesis of design, function, materials, attitude, manufacturing intelligence, and sustainability. Cubb results from our belief that great design comes from making the complex simple with spontaneity emerging from rigor and precision.

Cubb's singularity of form creates an elemental chair with an unmistakable personality, delivering robust functionality for any environment. Its innovative contemporary aesthetic extends over seven design typologies, making it suitable for specification through multiple applications in hospitality and office environments.

Cubb's sleek profile and contemporary efficiency offer a rich palette of functions, materials, finishes, bases, and upholstery styles, giving designers and specifiers a wide range of options to match client needs and project aesthetics.
