

# Boundri™

A versatile CeramicSteel privacy screen that transforms almost any desk or table into a personal workspace.

Boundri gives everyone the physical distance and privacy they need to feel comfortable in any space, while also offering a personal whiteboard for notes and reminders.

---

### **Wellness**

Today, workers and students need a place to feel comfortable and stay healthy in open areas. Boundri is designed with thin, double-sided CeramicSteel to define personal boundaries and increase privacy in any environment. Its smooth, seamless finish makes it easy to wipe clean, minimizing the potential for shared germs.

### **Work Tool**

While personal space and privacy are key, Boundri also offers a premium whiteboard surface so workers and students can take notes, stay organized and ideate in the comfort of their own workspace. Made with durable, high-performance CeramicSteel, Boundri is magnetic and won't stain, scratch or ghost.

### **Versatility**

With a variety of sizes, colors, configurations and mounting options, Boundri fits anywhere, whether it's an open office setting, a hospital nurse station or a library.

Arctic White Gloss in the Privacy / Modesty Setup

Arctic White Side Divider / Top Mount Setup

Transform any area  
into a safer, more  
private work zone.

#### Features

- Made from sustainable, nonporous CeramicSteel
- Resistant to stains, scratching, ghosting, bacteria, chemicals and fire
- Can be written on with dry-erase, semipermanent, water-soluble or permanent markers
- Magnetic
- Lightweight and easy to install
- Thin profile with rounded edges
- Stylish edge mounts in black anodized aluminum

## Anywhere and Everywhere

With four available mounting options, Boundri can be installed on almost any desk or table. The number of mounts needed varies based on the screen size.

### Privacy / Back Mount

Standard edge grip attaches to exterior of the table for a zero-space gap.

### Side Divider / Top Mount

Multi-bracket assembly combines edge and top grips for a 0.625-inch gap.

### Privacy / Top Mount

Standard edge grip attaches to the top of the table for a 0.625-inch gap.

### Privacy / Modesty

Edge grip attaches to exterior of the table for moderate privacy.  
*Note: Available in 18" x 24", 18" x 36", 24" x 24", 24" x 36" sizes.*

*Table edges must be straight and have a maximum thickness of 1.25 in.*

*Panel color is the same on both sides.*

## Hygienic Surface

CeramicSteel is a nonporous surface that is naturally resistant to bacteria and viruses. Coils, sheets, and panels with type U finish are also available in Polyvision's Hygienic CeramicSteel — a proprietary finish that incorporates an additive of silver micro particles formulated to create a self-sanitizing surface.

## Sustainable

Polyvision's e<sup>3</sup> CeramicSteel is Cradle to Cradle Certified™ Silver, highlighting the sustainable manufacturing process of the product. CeramicSteel is also 99.9% recyclable. CeramicSteel is also certified by SCS Global Services as Indoor Advantage Gold™, meeting strict indoor air quality (IAQ) chemical emission limits for volatile organic compounds (VOCs).

## Customizable

CeramicSteel type H and U can be customized to support specific sheet sizes, custom colors and digital printing. Incorporate our material into your whiteboard design for premium aesthetics and functionality.

## CeramicSteel Features and Benefits

- Smooth, inert surface
- Made from inorganic materials
- Magnetic
- Colorfast, will never fade
- Resistant to bacteria, graffiti, fire, scratches, stains, and chemicals
- Easy to clean
- Releases zero VOCs

# Corporate Responsibility

Polyvision believes that sustainability is an important business practice in today's global economy. In line with this belief, we strive for continuous improvement in all areas of environmental stewardship — responsible use of raw materials and natural resources, manufacturing processes and operation of all facilities — to reduce the impact of our activities on the environment. In the end, we believe we are all in this together, working to protect and cultivate the world we live in to make more sustainable choices.

## Manufacturing Excellence

All Polyvision facilities are compliant with international standards and certified for Quality, Environment, Health and Safety. Our environmental goals aim to reduce and manage our global environment footprint in the areas of VOC emission, water use, waste output and CO<sub>2</sub> emission.

- ISO 9001 Quality Management Systems Certification
- ISO 45001 Occupational Health & Safety Management Certification

## Ensuring A Sustainable Future

In addition to safe and sustainable manufacturing processes, Polyvision holds our products to the highest standards. We are third-party certified for our CeramicSteel surface by:

- Cradle to Cradle Certified — releases no harmful chemicals into the environment, safeguards clean water, materials are safe for humans and the environment
- Indoor Air Quality Certified to SCS.EC10.3-2014 v4.0
- ISO 14001 Environmental Management Certification
