

Boundri™

A versatile CeramicSteel privacy screen that transforms almost any desk or table into a personal workspace.

Boundri gives everyone the physical distance and privacy they need to feel comfortable in any space, while also offering a personal whiteboard for notes and reminders.

Wellness

Today, workers and students need a place to feel comfortable and stay healthy in open areas. Boundri is designed with thin, double-sided CeramicSteel to define personal boundaries and increase privacy in any environment. Its smooth, seamless finish makes it easy to wipe clean, minimizing the potential for shared germs.

Work Tool

While personal space and privacy are key, Boundri also offers a premium whiteboard surface so workers and students can take notes, stay organized and ideate in the comfort of their own workspace. Made with durable, high-performance CeramicSteel, Boundri is magnetic and won't stain, scratch or ghost.

Versatility

With a variety of sizes, colors, configurations and mounting options, Boundri fits anywhere, whether it's an open office setting, a hospital nurse station or a library.
