Team Up

Successful collaboration happens when everyone can participate equally. Share, brainstorm and spark new ideas in environments designed with the right tools to help you and your team co-create like never before.

Small Conference Room

Planning Ideas ID: NT7KG9KT

Design Intent

This conference space, with room for two to three users, was primarily designed for hybrid collaboration or brief team gatherings.

The room is equipped with Sans whiteboards for brainstorming and Currency Low storage for worktools. Enea Lottus bar stools enhance productivity by allowing users to interact easily while seated or while reaching for whiteboards. The Groupwork table includes an Intro powerstrip for personal devices.

Design Intent

This classroom-style multipurpose room serves as a dynamic learning space within the office. Designed for flexibility, it features a range of seating and table options to support different work modes.

Ample storage allows for convenient placement of belongings before meetings, while three rows of varied seating enhance comfort and engagement. A designated presenter’s area at the front provides a dedicated space for preparation, and integrated whiteboards and technology ensure seamless hybrid meetings and collaborative work sessions.
