

Personal Space

With a refined look and custom fit, Soffio screens recognize that privacy is precious in the open office. Shield a single side of any desk or wrap around one or more corners. The unique ribbed design bends at any point along its length to personalize privacy. Customize the tackable surface further with your choice of fabrics and colors.

Soffio screens: privacy on one side or more

- Refined aesthetic features ribbed detail and radius corners
- Works throughout the office, with ability to mount to height adjustable worksurfaces, or static, fixed height worksurfaces
- Attaches seamlessly with internal brackets – no visible clamps
- Soft surface invites personalization and display

A beautiful, flexible way to define space

Soffio screens wrap around the corner of the desk to shield front and periphery views as desired. In high-density spaces where workers may feel overexposed, the continuous curve offers added shelter to support concentration.
