Migration™ Intro

Height-Adjustable Desk

Simple + Affordable

Part of the Migration Collection of height-adjustable desks, Migration Intro is all about the essentials. With a streamlined, simple design and no-fuss controls, Migration Intro is the affordable solution that gets the job done.

Perfect Partner

Migration Intro works well with SOTO worktools, LED Intro task light, CF Series Intro monitor arm and Powerstrip Intro for a sleek and functional workspace.

Comprehensive Collection

Originally launched as a cost-effective solution focused on ergonomic design, Migration has evolved into a comprehensive collection of height-adjustable desks that offer an enhanced range of options for budget, aesthetics and performance.

Performance Features

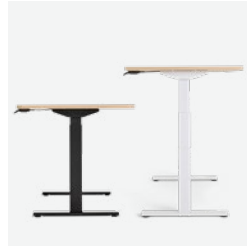

Basic + Extended Height Range

Basic or Active Touch Controller

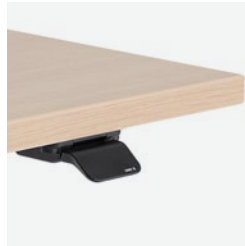

Cable Management

270 lb. Weight Capacity

Features

Basic or Extended Height
Height range options provide the widest range of users with comfortable, ergonomic positions while seated and standing.

Controllers
Choose from a Basic or Active Touch controller for an easy and intuitive sit-to-stand experience.

Leg Style
Classic rectangular T-leg base.

Cable Management
Optional cable management solutions (grommet, tray, brackets and riser) keep cables and cords organized both horizontally and vertically.
