

Migration™ Pro

Height-Adjustable Desk

Elevated Beauty

Part of the Migration Collection of height-adjustable desks, Migration Pro provides beauty that breaks the mold for height-adjustable desking. Choose from a variety of luxurious finishes and worksurface shapes, along with optional rounded legs and feet that offer a soft organic look. Tailor this high-performance desk to match any aesthetic—from subtle elegance to bold and expressive statements.

Quiet Achiever

The quietest desk with standard speed adjustment in the Migration Collection, Migration Pro offers impressive width options—reaching up to 96 inches for expansive workspaces, and a weight capacity of 360 pounds for heavy technology users.

Comprehensive Collection

Originally launched as a cost-effective solution focused on ergonomic design, Migration has evolved into a comprehensive collection of height-adjustable desks that offer an enhanced range of options for budget, aesthetics and performance.

Performance Features

Extended Height Range

Range of Controllers

Round or Rectangular Leg

Power + Cable Management

360 lb. Weight Capacity

Features

Leg Style
Choose from C- or T-leg and rectangular or round leg shape for added customization.

Power + Cable Management
Optional integrated power and cable management (grommet, tray, brackets and riser) cleanly manage power and cables both horizontally and vertically.

Height Range
Extended height provides the widest range of users with comfortable, ergonomic positions while seated and standing.

Materiality
Luxe, high-end finishes and aesthetic options support color inspiration and a multitude of design needs.

Edge Profiles
Optional thin profile knife edge or soft edge for worksurfaces.

Controllers
Three different controller options—Active Touch, Simple Touch and 3 Preset—provide a tailored sit-to-stand experience. Active Touch is compatible with the Steelcase Rise app.
