## Personal Work Amenities Collection

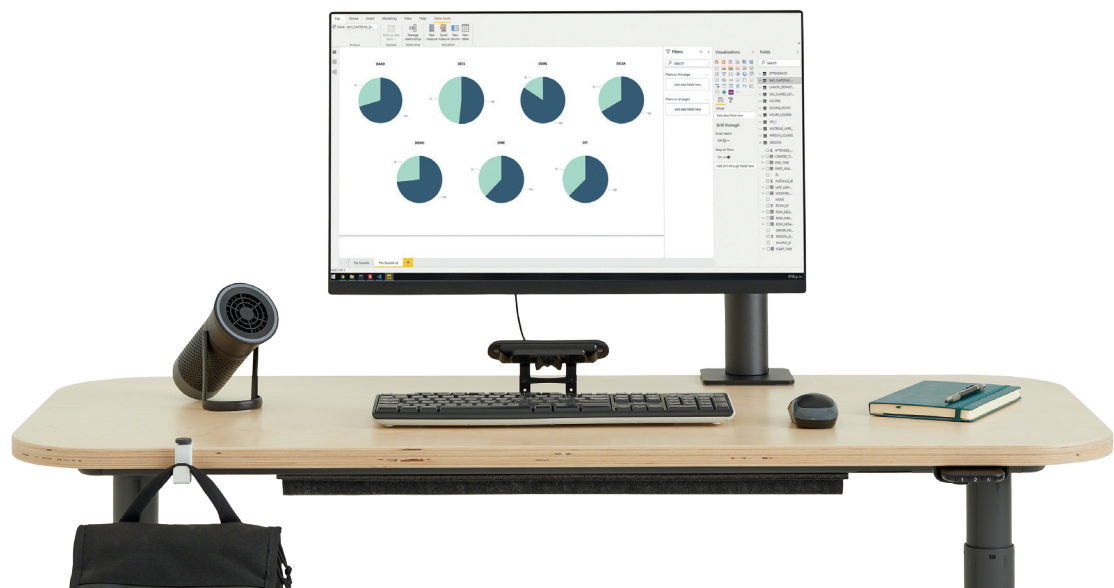

A few thoughtful precautions can add up to greater peace of mind. The Steelcase Personal Work Amenities Collection presents accessories that encourage a clean and healthy work experience.

FEATURES + ADJUSTABILITY

Curated from our Worktools portfolio and partners, the Personal Work Amenities Collection includes these featured accessories.

Wynd® Smart  
Personal Air Purifier

Clear the air so you can breathe easier. This purifier by Wynd creates a bubble of clean air around you by filtering harmful particles like dust, allergens, bacteria, smoke and pollution from the air in your personal space.

**UV Angel Adapt™**  
Reduce the risk of spreading germs. The UV Angel Adapt is an intelligent, automated UV-C device that continuously monitors your keyboard and safely neutralizes contamination.

**Desk Pad**  
Enjoy a smooth mousing surface as you work, while treating wrists and forearms to padded comfort. An optional antimicrobial treatment protects against germs for a safer experience.

**Ergo Edge**  
Give comfort to wrists and forearms with this ergonomic, supportive cushioned desk edge. Create a personal work boundary. And stay safe with optional antimicrobial treatment.
