

STEELCASE WARRANTY*

For Global Products

YOU CAN DEPEND ON US. OUR PRODUCTS. OUR SERVICES. OUR PEOPLE.

Steelcase Inc. ("Steelcase") Global Products Warranty includes Steelcase® and Coalesse® brand products. Steelcase manufactures products for use around the world in every region. Products in two or more regions are "Global Products." The regional warranties (the Americas (including the United States, Canada, Mexico, the Caribbean, Central and South America), EMEA (Europe, except UK and Ireland, including Russian Federation, Middle East, Central Asia and Africa), United Kingdom and Ireland, and APAC (Asia Pacific)) shall apply for any product not included in the Global Products Warranty. Steelcase warrants that Global Products are free from defects in materials and workmanship as set forth below. This warranty is non-transferable and valid from the date of delivery, regardless of shift usage, to the original end-use customer, which means the final purchaser of a product from Steelcase or a Steelcase authorized reseller for the purchaser's own use and not for resale, remarketing, or distribution. Steelcase will repair or replace with comparable product, at its option and free of charge (for materials and components) any product, part, or component which fails under normal use. If repair or replacement is not commercially practicable, Steelcase will provide a refund or credit for the affected product. Because Steelcase cannot control the quality of products sold by unauthorized sellers, Steelcase reserves the right to reject warranty claims for products purchased from unauthorized sellers, including unauthorized Internet sites, unless otherwise prohibited by law.

*Not applicable to products sold at retail to consumers (as defined below), who should refer to the Steelcase Consumer Warranty for their region.
