## Warm Welcome

Tava™ offers fresh, transitional design with the warmth of wood across a broad collection of guest and high-back seating, lounge seating, bariatric versions, benches and tables.

Performance features integrate with high-level design. Beneath Tava's wood and upholstery, steel frames and springs ensure a comfortable sit and lasting performance.

Tava tables topped with solid surface or powder-coated steel are highly durable and visually striking. They coordinate beautifully with Tava seating.

# Clean + Strong

The refined look of Tava brings a touch of the familiar reinforced by the durable construction and smart features important to healthcare.

Built with infection control in mind, all Tava seating features a convenient and hidden crumb sweep and open bases that are easy to clean around.

### Transition Space Maximizer

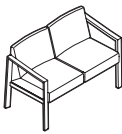

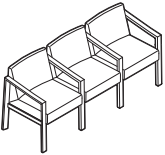

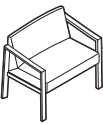

The Tava bench makes more of limited space in waiting and reception areas. In alcoves and hallways, it offers clinicians, patients and families a comfortable place to pause for respite.

### Lasting Investment

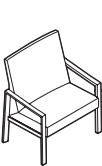

With spring-seat construction and durable steel structure, Tava is made to withstand the rigors of daily use in the healthcare environment. Its transitional style complements any aesthetic and adapts to change beautifully.
