Adaptable Tables for Active Learning

Designed for today’s classrooms, the Verb™ Flip-Top Table offers a sturdy, safe and simple-to-rearrange table option, ideal for active learning spaces.

ULTIMATE ADAPTABILITY

The Verb Flip-Top Table complements the existing Verb classroom collection, with an easily nested, flexible and responsive design. The table can be flipped, moved, stowed and rearranged simply, safely and intuitively, making transitions between modes of learning quick and seamless. Whiteboard storage and display integration encourage continuous collaboration and idea-sharing among students and educators.

EASE OF USE

Table flips open or closed easily with one hand, while remaining rigid and sturdy in both operation and flip modes.

IM#: 17-0088143

REFINED AESTHETIC

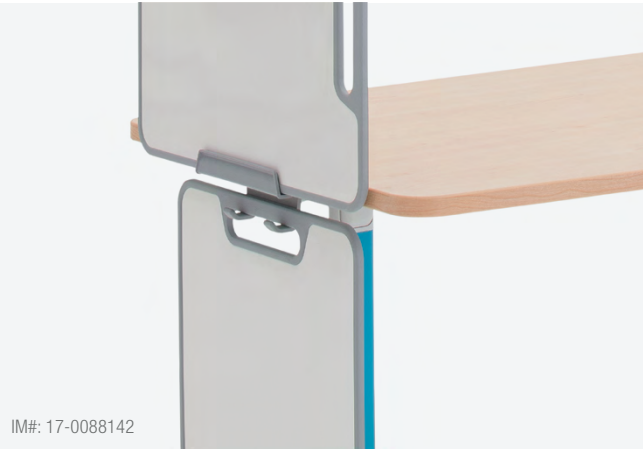

Under-table structure is housed within a protective casing, eliminating pinch points and creating a pleasing, minimal look when nested.

IM#: 17-0088146

SMALL FOOTPRINT

Best-in-class nesting density when tables are flipped, which frees room for multipurpose spaces.
