When real estate compression and cost savings are an important business issue, reducing the quantity of private offices to make room for more staff might be a reality. This example of unloading the floor plan provides smaller spaces for 8 adjunct faculty or grad students and a project area, occupying the same space as 3 private offices. Sharing daylight is another benefit to walls coming down, helping bring life and vitality to an interior corridor.

Products contained in this application:

Campfire Pouf, Bivi Rumble Seat, Campfire Paper Table, Think
