Find focus in the open plan. Lagunitas Focus Nook provides a place for heads down work adjacent to other applications, allowing users to find a spot free from distraction, but never far from their next meeting. Lagunitas Lounge System provides additional user choice; a private destination for relaxed work that also acts as a way to divide and optimize space. When it's time to meet, Potrero415 pairs with Enea Cafe wood stool for a casual, inviting collaboration space.
